Since 1999, High Sierra Animal Rescue has been dedicated to saving the lives of discarded homeless adoptable pets and caring for them until they are placed into new, loving homes. Since inception, over 4,500 animals have been rescued from regional county animal shelters. All animals at HSAR are spayed or neutered, vaccinated, heartworm tested and micro-chipped. In addition to these procedures, every rescued pet that may require additional medical attention receives the care they need prior to being placed up for adoption. Our dog adoption fee falls far short of covering these expensive procedures.

On Sunday, September 29, 2019, High Sierra Animal Rescue will be holding is fifteenth annual ***Duffers for Dogs*** Golf Tournament at Whitehawk Ranch Golf Club. The funds raised through this event will be used to help with ongoing expenses necessary to provide for these lovable animals while in our care but soon to on their way to a new loving home.

High Sierra Animal Rescue would like to invite you and your friends to participate in our ***2019 Duffers for Dogs*** Golf Tournament. Enclosed you will find an entry form with details about the tournament. This year a BBQ Dinner will be served on the clubhouse deck immediately following golf. **Because of dining capacity, golf entries are limited to the first 128 players.** Event Sponsorship information is also included. Please mail the completed entry form along with your entry fees to High Sierra Animal Rescue, Duffers for Dogs, P.O. Box 548, Portola, CA 96122, by September 20, 2019.

Thank you for caring and we hope to see you at the ***2019 Duffers for Dogs***!

Sincerely,

High Sierra Animal Rescue
